Terms of Service

LAST UPDATED: OCTOBER 4, 2026

These Terms of Service ("Terms") govern your use of MĪZAN (the "Service"). By creating an account or otherwise using the Service you agree to these Terms. If you do not agree, do not use the Service.

1. The service

MĪZAN is a personal finance dashboard that aggregates your bank accounts, brokerage holdings, transactions, and subscriptions into a single view. Most account and research features display information without placing orders. The Service relies on third-party providers (including Plaid and SnapTrade) to retrieve your financial data with your authorization.

Trading tools are restricted to accounts granted trading access. An eligible user can preview and submit orders through a connected brokerage. Separately authorized strategies may submit orders without approval of each individual trade when their execution settings permit it. Those are real brokerage orders, not read-only activity. Alpaca paper orders use simulated funds; paper results are not live results. MĪZAN does not hold your securities, move money between your accounts, or guarantee that an order submitted to a broker will fill or fill at a particular price.

The proposed business-Zakat Case Lab is not an existing feature of this Service or included under these Terms. Any future assessment would require a separately agreed scope and terms before accepting client records or payment.

2. Not financial advice

MĪZAN provides account-aggregation and research tools alongside the restricted trading capability described above. The Service is not, and should not be interpreted as, financial,

tax, investment, legal, or accounting advice. We are not a registered investment adviser, broker-dealer, or financial planner. Trading access is not a recommendation to buy, sell, or hold a security. Any screening, charts, comparisons, or computed values shown in the app are produced algorithmically and are provided for your reference only. Trading involves risk of loss, including loss of your invested capital. Always consult a qualified professional before making financial decisions.

3. Your account

- You must be at least 18 years old to use the Service.
- You are responsible for maintaining the confidentiality of your credentials, including any multi-factor authentication secrets.
- You are responsible for all activity that occurs under your account.
- Notify us immediately at khanstyle02@gmail.com if you suspect unauthorized access to your account.

4. Third-party services

Linking your bank or brokerage requires you to authenticate through that institution's own login flow (typically via Plaid or SnapTrade). Trading-enabled users may also connect an Alpaca paper account for simulated orders. Your use of those flows is subject to the providers' own terms and privacy notices, including:

- Plaid End User Privacy Policy
- SnapTrade Terms and Privacy Notice

We are not responsible for the availability, accuracy, or behavior of third-party services. Connection issues, data delays, and outages at your financial institutions or aggregators are outside our control.

5. Acceptable use

You agree not to:

- Reverse-engineer, scrape, or attempt to extract source code beyond what is publicly available.
- Access accounts other than your own.
- Use the Service to violate any law or third-party right.
- Attempt to interfere with the Service's security, availability, or integrity (including rate-limiting mechanisms).
- Resell or commercially redistribute the Service or its data.

6. Intellectual property

The Service, including its design, code, and content, is owned by Amaan Khan or licensed from third parties. These Terms grant you a limited, non-exclusive, non-transferable license to use the Service for your personal, non-commercial use. We retain all other rights.

7. Disclaimers

THE SERVICE IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT. WE DO NOT WARRANT THAT THE SERVICE WILL BE UNINTERRUPTED, ACCURATE, SECURE, OR ERROR-FREE.

8. Limitation of liability

TO THE FULLEST EXTENT PERMITTED BY LAW, THE OPERATOR SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR GOODWILL, ARISING OUT OF OR IN CONNECTION WITH YOUR USE OF THE SERVICE. OUR AGGREGATE LIABILITY FOR ALL CLAIMS RELATING TO THE SERVICE IS LIMITED TO ONE HUNDRED U.S. DOLLARS (US $100).

9. Termination

You may delete your account at any time from the in-app account settings. We may suspend or terminate your access to the Service if you violate these Terms or use the Service in a way that creates risk for us, other users, or our third-party providers. On termination, your data is deleted from our systems in accordance with our Privacy Policy.

10. Changes

We may revise these Terms from time to time. When we do, we update the "Last updated" date at the top of this page. Your continued use of the Service after a change constitutes acceptance of the revised Terms.

11. Governing law

These Terms are governed by the laws of the State of New York, without regard to its conflict-of-law principles. Any dispute arising out of or relating to these Terms or the Service will be resolved exclusively in the state or federal courts located in New York County, New York.
